StationMD Telemedicine is Here for Your Healthcare Needs

COVID-19 remains a concern across the country and cases are rising in Missouri. It is important to stay home as much as possible, wash your hands frequently, and try to maintain 6-foot distance from others.

StationMD is here to address your health concerns and answer your medical questions. To speak with a doctor 24/7 from the comfort of home, please call 1-877-STATMDS (1-877-782-8637). No call is too small:

- *I need to go back to work. Am I healthy enough?*
- *I have a sore throat and a cough. Should I stay home?*
- *I'm running low on my daily medication. Can you refill it for me?*

[If you are on a Missouri DD Waiver, this service is free of charge to you.](#)

For more information on how to access and use the StationMD service, [click here](#). For questions about StationMD, please email MO-DMH@stationmd.com or call 1-908-663-2929 ext. 830.
